

A Touchstone Energy<sup>®</sup> Cooperative

# NORTH WESTERN ELECTRIC COOPERATIVE

All prices listed are for estimation purposes only, final cost may vary.

All fees must be paid before construction. However, if the project cost is greater than \$10,000, half must be paid before construction begins, and then the 2nd half is due upon connection of service.

<u>Service</u>	<u>Base Fee</u>	<u>\$ per Foot</u>
Single-Phase Underground Primary in 2" Conduit (trenched)	\$ 1,444	+ \$ 6.59 per ft.
